

Hasil Uji

1. Tampilan Manufacturing orders dengan ada tambahan Estimated Production Time (hours)

The screenshot shows the Odoo Manufacturing Orders interface for order WH/MO/00006. The order is in 'Draft' status. The 'Estimated Production Time (hours)' field is set to 3.00. The 'To Consume' table lists two components: [FURN_2100] Drawer Black (1.00) and [FURN_5623] Drawer Case Black (1.00).

Product	To Consume
[FURN_2100] Drawer Black	1.00
[FURN_5623] Drawer Case Black	1.00

2. Setelah Confirm maka akan masuk ke status confirm, di sini ada tambah button plan production dimana akan berfungsi membuat schedule production

The screenshot shows the Odoo Manufacturing Orders interface for order WH/MO/00006. The order is now in 'Confirmed' status. The 'Plan Production' button is highlighted with a red box. The 'Estimated Production Time (hours)' field is still 3.00. The 'To Consume' table is empty. Below the table, there is a table showing the production schedule.

Operation	Work Center	Scheduled Start Date	Scheduled End Date	Expected Duration	Real Duration	Status
Packing	Drill Station 1			60.00	00.00	Ready
Testing	Assembly Line 1			60.00	00.00	Waiting for another WO
Long time assembly	Assembly Line 1			60.00	00.00	Waiting for another WO

3. Setelah klik button tersebut maka schedule akan terisi otomatis dan bisa di lanjutkan seperti biasanya
